	<b>SUBJECT</b>	REPORT FOR SEPTEMBER 2006

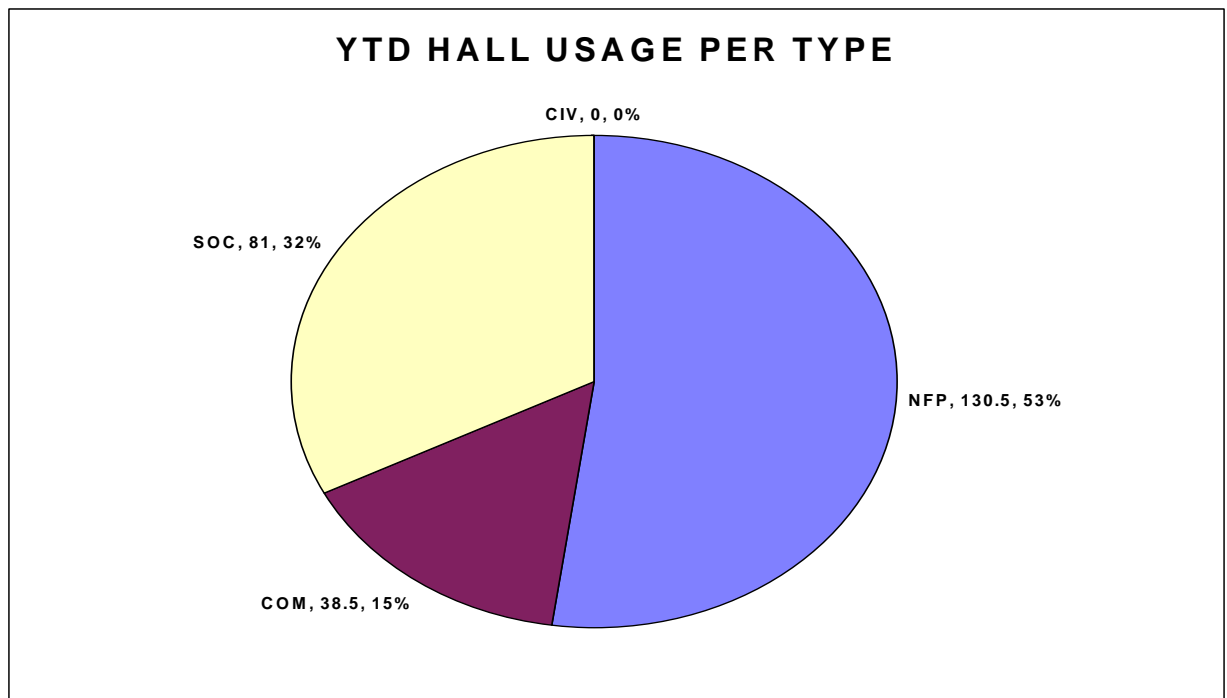

**RECOMMENDATION**  
 THAT the report be received.

**NGATEA WAR MEMORIAL HALL (02.103.999)**

Hours Used per Month:

Percentage Usage Per Type:

The Memorial Hall sound system has been overhauled with the amplifier being made more accessible. Tests with corded and cordless microphones over a 60 minute time period revealed no problems with volume or clarity of sound in any part of the hall. The four main hall speakers have been thoroughly tested with no problems identified.
