Dear Sir

**RUBBISH DUMPING FEES**

Last year Council kindly gave us a grant through the Waihi Ward of \$500.00 towards the cost of disposing of the rubbish that accumulates at the Salvation Army Family Store. Much of this rubbish comes from what irresponsible people dump on the side of the street that gives access to the rear of the shop. The actual cost for dumping at the Waihi transfer station for the period of 1<sup>st</sup> July 2007 to the end of February 2008 has been \$956.00. The full year cost should be at least \$1400.00.

We request a further grant towards these dump fees for the coming year. Any assistance you can give in this direction will be greatly appreciated.

Thank you  
Yours sincerely
