

06/08/2010

Dear Manager

I do hope this letter finds you in good health.

My name is Fay Kari Kari, I am 30 years of age and a mother of one. I have lived in Waihi for seven years, I like to be active with my son, and the sports that are in Waihi I can not really play with him, there are only a number of sports that parent/guardians can play with there children and softball is one of those sports, over the years I have noticed that there are no softball teams here.

So I am starting up softball teams for all ages, and ability. I have been told that softball was a big thing here 10 years ago and it would be great if it came back to our community.

I want to be the person to do that for Waihi, with support from you.

What I am asking is:

Would your business sponsor me to get the softball gear that I need to get this started ? This will encourage the Waihi community to get active and enjoy the game of softball; get our young people doing something positive, and parent/guardians active with their children.

So far I have one ball, three bats and two children's softball gloves, but these items are only on loan. To put these events on for the community I will need proper gear. Would you be able to help me to achieve my dream for our community?.

Here is a list of the gear needed.

- 2* Softball bats
- 5* Batters Helmets
- 9* Softball Gloves
- 3* Match Balls
- 3* Practise Balls
- For the Catcher
- 1* Chest Protector
- 1* Pair of leg guards
- 1* Catchers Helmet with guard
- and 1* Bag to put the gear in.

Thank you for taking the time to read this.
You can contact me on the numbers listed below:

Dear Manager

This letter is an update for you on the Waihi Softball.

I have had a great response from the Waihi community about Waihi Softball. I have had two to three people put their names down each day since I put the flyers up for the family Softball.

- The **New Zealand Softball Association** have given us a starter kit which contains the following items:
 - 5 Batters Helmets
 - 3 Match Balls
 - 3 Practise Balls
 - 1 Catcher's chest protector
 - 1 pair of Catcher's leg guards
 - 1 Catchers helmet with guard
 - 1 equipment bag
- **Jeanette Wolvin** a Waihi local, has given us the use of
 - 8 softball bats
 - 12-15 softball balls
- **Waihi Community Resource Centre** are loaning us there gazebo.

And a family member and myself are making the bases out of an old conveyor belt.

Although we have these items we still need more help.

We have three age groups and they are 5-9 year old, 10-14 year old, 15 and Up
We still need gear for the two older age groups as we are hoping to have two games running for the 15 and Up and one to two games running for the 10-14 year old.
But to achieve these goals we still need.

- 10 batters Helmets
- 2 Sets of Catchers gears
- and Softball gloves

Other things that would be helpful for Waihi Softball are sunblock, hats, coloured bands, cones, spray paint. But any help from you to get the 2010 Softball Season off to a good start would be most appreciated.

If you, your staff or family would like to play please contact me on any of the numbers or email address listed below and I'll put your name down.
ALL ARE WELCOME

Thank you for taking the time to read this.
