Thames Valley Embroiderers Guild [905472]

The Vice President for the guild writes requesting a grant for a tapestry project they are embarking with other groups in the country.

The tapestry is a recording of New Zealand history with the guild stitching a panel on the gold mining history of the Ohinemuri (Waihi) and Thames area. The cost of design, materials, framing etc is \$5,000 and the guild has already raised \$3,000; they seek sponsorship towards the balance.
