

# OUR PLACE Tā Tātou Kainga

Hey, what's important to you? Tell us what you think we should be focusing on.

We've had a blast over the past few weeks chatting with you at local events about what makes Our Place amazing. Thanks to all of you who told us what you think! We'd now like you to choose the top 10 aspirations you think we should focus on achieving. What matters most to you? Are we missing anything?

We've summarised your feedback into general themes to help guide our overall direction – we haven't forgotten the specific things you've told us, like "Install a rubbish bin at Morgan Park." We'll use this feedback during our long term planning, and check in with you again in early 2021 to make sure we're still on track. If you want to stay in the loop, be sure to sign up for our e-newsletter at [www.hauraki-dc.govt.nz](http://www.hauraki-dc.govt.nz)

Tick your top 10 priorities, rip it out and bring it in!
