

Step by step work begins on Ngatea footpath

A nice new footpath is on the way for shoppers in Ngatea town centre

Work to upgrade the footpath on both sides of State Highway 2 from Pipiroa Road to Kaihere Road is due to start on Monday 5 October and should be finished within ten weeks, depending on the weather.

The footpath design reflects community feedback received earlier this year, and uses simple robust and local materials with coloured inlays in selected areas.

We'll do everything we can to minimise disruption and maintain access to shops while our crews work hard to get the job done.

Thank you for your patience and understanding.
