Conditions of consent

Flyers are permitted to fly above council parks (excluding cemeteries) but are requested to be aware of and abide by the following conditions. Operators must:

- Comply with the CAA rules relating to the mode of operating RPAS.
- Comply with the Office of the Privacy Commissioner guidance on preserving peoples' personal privacy by not flying over other people using the park or over adjoining private property.
- Be aware of helicopter pads and cease to operate their RPAS as soon as an audible or visual detection of a helicopter in flight is made. Helicopter pads are situated in Paeroa Domain, Ngatea Domain, Morgan Park and the Whiritoa Surf Club Reserve
- Be courteous of other park users, who often have visited the park for the quiet enjoyment of the park.
- Not operate over a sports field if in use by others unless prior authority from both Council and the event/sports organiser is given.
- Not fly over any parked vehicles or roads.
- Not operate within of 20 metres of or be flown over other users of the park or live stock.
- Not operate within 20 metres of sensitive wildlife habitats, or, nesting or roosting birds, such as a NZ dotterel.
- Not overfly adjoining private property.
- Be in full view of the operator at all times (e.g. not visible through binoculars, or operated via monitor, or smartphone only).
- Be flown in daylight hours only, and
- Cease operation if requested by a member of the public or council staff, or if you become aware of a helicopter in the area.

Any person proposing to use a RPAS for commercial purposes, such as filming, must state this in their application and obtain the appropriate permission from the council's Community Services Department.

Any breach of the above conditions could result in termination of the individual's permission to use public land for the above purposes.
