

Ngatea Ashes Wall

Two 80 vault purpose built walls for the accommodation of ashes have been constructed as part of the Hugh Hayward Domain Settlers Park development, Orchard Road, Ngatea.

The vaults are in vertical columns of four. Each vault can accommodate up to two ashes containers. The vaults can be purchased for a single ashes placement only or for a double ashes placement (placed separately or together at the same time). **There is a maximum reservation limit of one vault per person. A couple can purchase one vault each.**

The criteria for purchasing an ashes vault is that the person must have been a resident or a ratepayer of the district for the past twelve months (immediately prior to date of death, if applicable). **OR** has resided in the District for a continuous period of at least ten years during their lifetime. (If the deceased is a child younger than twelve months, and is of a parent that qualifies as a resident or ratepayer then an “out of district fee” does not apply to the child). If you live outside this area an application to Council is required and an Out of District fee will apply.

The plaque is made of granite and the size of the plaque is 360mm x 230mm which provides sufficient area to accommodate two inscriptions if required. Please check your ashes container size. Each container must not exceed 140mm wide x 120mm high x 260mm long to ensure it fits within the vault. These vaults are designed to accommodate a maximum of two standard size containers. The standard layouts for the plaque wording are attached to

the application form. There are three plaque options. **Final plaque layout is subject to Council approval.**

An **Application to Purchase an Ashes Vault** will need to be completed to purchase the specified vault in the Ngatea Ashes Wall. Please note that the ownership of the vault will revert back to the Council if the vault is not used within 50 years of date of purchase.

An **Application for Placement of Ashes** will need to be completed for each container of ashes and submitted with the plaque wording diagram. Council will organise the inscription on the granite plaque. If you wish to be present at the time of ashes placement, please allow 6 to 8 weeks notice prior to the date of ashes placement for the granite plaque to be inscribed.

Ngatea Ashes Wall Charges - Effective 1 July 2019
Please note that all Fees and Charges are GST inclusive unless otherwise stated.
