Subject to the following conditions:

CONDITIONS

General

- 1 The sewage treatment plant shall be operated in general accordance with the application for this resource consent and the document titled "Hauraki District Council Paeroa, Sewage Treatment and Disposal, Applications and Assessment of Environmental Effects for Resource Consents and Designation" dated December 1999, prepared by Bruce Wallace Partners Ltd and as identified in the resource consent conditions below.
- 2 The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act 1991, or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act. 11/01/2010 MB
- 3 The consent holder shall provide to the Waikato Regional Council a written report by 4 ~~June~~ 30 September each year. The report shall be written in conjunction with resource consents 103242, 103243, and 103245. As a minimum this report shall include the following:
 - (i) comment on compliance with conditions of this resource consent,
 - (ii) any reasons for non-compliance or difficulties in achieving compliance with the conditions of this resource consent,
 - (iii) any works that have been undertaken to improve the environmental performance of the sewage treatment plant or that are proposed to be undertaken in the up-coming year to improve the environmental performance of the sewage treatment plant.

Management

- 4 The consent holder shall ensure contractors at the sewage treatment plant are made aware of the conditions of this resource consent and ensure compliance with those conditions.
- 5 The treatment plant shall be managed and operated by an appropriately trained operator.
- 6 The consent holder shall maintain and keep a complaints register for odour complaints received by the consent holder. The register shall record:
 - (i) the date, time and duration of the event that has resulted in a complaint,
 - (ii) the location of the complainant when the odour event was detected,
 - (iii) the possible cause of the odour event,
 - (iv) the weather conditions and wind direction at the site when the odour event occurred,
 - (v) any corrective action undertaken by the consent holder in response to the complaint,
 - (vi) the steps to be taken in future to prevent recurrence of similar events.

The register shall be made available to the Waikato Regional Council at all reasonable times. Complaints received by the consent holder that may indicate non-compliance with the conditions of this resource consent shall be forwarded to the Waikato Regional Council within 5 days of the complaint being received.
- 7 There shall be no odour or particulate matter as a result of the activities authorised by this resource consent that causes an objectionable or offensive effect beyond the boundary of the site being that land described as Pt. Lot 4 DP 6842 and Sec 1 SO 58554.
- 8 Should an emission of odour or particulate matter occur that has an objectionable or offensive effect, the consent holder shall provide a written report to the Waikato Regional Council within five days of being notified of such by the Waikato Regional Council. The report shall specify:
 - (i) the cause or likely cause of the event and any factors that influenced its severity;
 - (ii) the nature and timing of any measures implemented by the consent holder to avoid, remedy or mitigate any adverse effects; and
 - (iii) the steps to be taken in future to prevent recurrence of similar events.

103244

Note: For the purpose of condition 7 of this resource consent, the Waikato Regional Council will consider an effect that is objectionable or offensive to have occurred if any appropriately experienced officer of the Waikato Regional Council deems it so after having regard to:

- (i) the frequency, intensity, duration, amount, effect and location of the suspended or particulate matter; and/or
- (ii) receipt of complaints from neighbours or the public; or
- (iii) relevant written advice or a report from an Environmental Health Officer of a territorial authority or health authority.

9 There shall be no aerosols produced by the sewage treatment plant which pass beyond the boundary of the site being that land described as Pt. Lot 4 DP 6842 and Sec 1 SO 58554

Review (s128)

10 The Waikato Regional Council may in June 2005, June 2010, and June 2015, serve notice on the consent holder under section 128 (1) of the Resource Management Act 1991, of its intention to review the conditions of this resource consent for the following purposes:

- (i) to review the effectiveness of the conditions of this resource consent in avoiding or mitigating any adverse effects on the environment from the exercise of this resource consent and if necessary to avoid, remedy or mitigate such effects by way of further or amended conditions; or
- (ii) if necessary and appropriate, to require the holder of this resource consent to adopt the best practicable option to remove or reduce adverse effects on the surrounding environment due to odour; or
- (iii) to review the adequacy of and the necessity for monitoring undertaken by the consent holder.

Note: Costs associated with any review of the conditions of this resource consent will be recovered from the consent holder in accordance with the provisions of section 36 of the Resource Management Act 1991.
