**Consent Duration:** This consent will commence on the date of decision notification and expire on 30 April 2021

***Subject to the conditions overleaf:***

**CONDITIONS**

1. The discharge pipe authorised by this consent shall be located and maintained in general accordance with the application for this resource consent and the document titled "**Kerepehi Wastewater Discharge Consent Renewal**", dated October 2004, prepared by Montgomery Watson Harza Limited, unless inconsistent with the activity authorised or the resource consent conditions below.
2. The consent holder shall ensure contractors are made aware of the conditions of this resource consent and ensure compliance with those conditions.
3. This resource consent is granted by the Waikato Regional Council subject to its officers or agents being permitted access to the property at all reasonable times for the purpose of carrying out inspections, surveys, investigations, tests, measurements or taking samples.
4. The consent holder shall ensure that backflow within the canal is prevented from entering the discharge pipe.
5. The discharge structure shall be maintained such that local scour is avoided.
6. The consent holder shall be responsible for the structural integrity and maintenance of the discharge structure and for any erosion control works that become necessary to preserve the integrity and stability of the canal bed and channel and/or to control erosion as a result of the exercise of this consent. The consent holder shall undertake regular maintenance of the channel and shall keep a log of what maintenance has been undertaken. This log shall be made available to the Waikato Regional Council at all reasonable times.
7. The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act, 1991 or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act, 1991.

*Dated at Hamilton this 13 day of July 2006*

*For and on behalf of the  
Waikato Regional Council*

.....

**Advice notes**

1. In accordance with section 125 RMA, this consent shall lapse five (5) years after the date on which it was granted unless it has been given effect to before the end of that period.
2. This resource consent does not give any right of access over private or public property. Arrangements for access must be made between the consent holder and the property owner.
3. This resource consent is transferable to another owner or occupier of the land concerned, upon application, on the same conditions and for the same use as originally granted (s.134-137 RMA).
4. The consent holder may apply to change the conditions of the resource consent under s.127 RMA.
5. The reasonable costs incurred by Waikato Regional Council arising from supervision and monitoring of this/these consents will be charged to the consent holder. This may include but not be limited to routine inspection of the site by Waikato Regional Council officers or agents, liaison with the consent holder, responding to complaints or enquiries relating to the site, and review and assessment of compliance with the conditions of consents.
