# *Resource Consent Certificate*

**Resource Consent:** 124319

**File Number:** 60 00 22A

*Pursuant to the Resource Management Act 1991, the Waikato Regional Council hereby grants consent to:*

Hauraki District Council  
PO Box 17  
Paeroa 3640

*(hereinafter referred to as the Consent Holder)*

**Consent Type:** Water permit

**Consent Subtype:** Surface water take and use

**Activity authorised:** To take and use water from the Paraparakauri Stream for domestic and municipal water supply purposes

**Location:** Mackaytown Water Supply - Mackaytown

**Spatial Reference:** NZTM 1842001 E 5856554 N

**Consent Duration:** This consent will commence on the date of decision notification, unless otherwise stated in the consent's conditions, and expire on 30 July 2018

**Subject to the conditions overleaf:**

### **General Conditions**

1. The consent holder shall undertake the activity authorised by this consent:
  - (a) In general accordance with the documentation submitted to the Waikato Regional Council as part of the application (as recorded on the Waikato Regional Council's document recording system numbered 2122542); and
  - (b) In accordance with the conditions of this consent.

In the event of any conflict between the application documentation and the conditions of this consent, then the conditions shall prevail.

2. The consent holder shall be responsible for all sub-contracted operations related to the exercise of this consent, and must ensure sub-contractors are made aware of the conditions of this consent.
3. The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act 1991, or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act 1991.

### **Limits**

4. The maximum volume of water taken from the mine shaft shall not exceed 100 cubic metres in total over any 24 hour period.
5. The maximum abstraction rate shall not exceed 2 litres per second.
6. The consent holder shall undertake water meter readings on a weekly basis and maintain a record of the water usage (average total daily volume). Water records shall be forwarded to Waikato Regional Council on an annual basis, by 30 September each year.

### **Water Management Plan**

7. The consent holder shall carry out its water supply operations in general accordance with the Water Management Plan entitled "Paeroa Water Management Plan" dated 15 December 2011 or any subsequent updated version of this document as provided for by condition 9 of this consent.

In the event of any conflict between the Water Management Plan (and any subsequent updated plan) and the conditions of this consent, then the conditions shall prevail.

8. The consent holder may update the Water Management Plan at any time and submit it to the Waikato Regional Council for approval (in a certifying capacity).
9. Approval by the Waikato Regional Council of any updated Water Management Plan shall be limited to an assessment of whether:
  - (a) The plan complies with the information requirements of Part 8.1.2.2 (Water Management Plans) of the Waikato Regional Plan; and
  - (b) The plan is consistent with the conditions of this consent.

### **Water Shortage Condition**

10. When a flow of 1.6 cubic metres per second or less, is recorded within the Ohinemuri River at the Waikato Regional Council's recorder site at Karangahake, the consent holder shall initiate measures (being implementation of the Drought Management Plan) seeking to reduce the daily take by 15% of the authorised volume as detailed within the approved Water Management Plan.

**Review**

11. In the 12 months following the completion of a relevant catchment investigation the Waikato Regional Council may, following service of notice on the consent holder, commence a review of condition 4 of this consent pursuant to s.128(1)(a) of the Resource Management Act, for the purpose of ensuring allocation is consistent with the relevant policy.

**Alternative Supply**

12. The consent holder shall provide to the Waikato Regional Council by 30<sup>th</sup> September each year details of the progress of the long term strategy for water supply to the Mackaytown Community.

## Advice notes

1. Where a resource consent has been issued in relation to any type of construction (e.g. dam, bridge, jetty) this consent does not constitute authority to build and it may be necessary to apply for a Building Consent from the relevant territorial authority.
2. This resource consent does not give any right of access over private or public property. Arrangements for access must be made between the consent holder and the property owner.
3. This resource consent is transferable to another owner or occupier of the land concerned, upon application, on the same conditions and for the same use as originally granted (s.134-137 RMA).
4. The consent holder may apply to change the conditions of the resource consent under s.127 RMA.
5. The reasonable costs incurred by Waikato Regional Council arising from supervision and monitoring of this/these consents will be charged to the consent holder. This may include but not be limited to routine inspection of the site by Waikato Regional Council officers or agents, liaison with the consent holder, responding to complaints or enquiries relating to the site, and review and assessment of compliance with the conditions of consents.
6. Note that pursuant to s333 of the RMA 1991, enforcement officers may at all reasonable times go onto the property that is the subject of this consent, for the purpose of carrying out inspections, surveys, investigations, tests, measurements or taking samples.
7. If you intend to replace this consent upon its expiry, please note that an application for a new consent made at least 6 months prior to this consent's expiry gives you the right to continue exercising this consent after it expires in the event that your application is not processed prior to this consent's expiry.
