**DECISION**

1. I have before me an application by Jaskaran Singh Dhariwal for renewal of a Manager's Certificate, the expiry date being 11 March 2024.
2. The inspector has filed a report on the application and does not oppose the renewal of the certificate. The Police have offered no opposition to the renewal of the certificate.
3. The inspector has noted that the applicant failed a controlled purchase operation (CPO) that was conducted on 14/04/2023. As a result of the failed CPO the manager's certificate was suspended for a period of 28 days. Additionally the applicant has successfully completed further training including Serve Wise as well as the internal Super Liquor foundation Course 1.
4. Other than the above incident there is no information to suggest that the manager has managed the sale and supply of alcohol in an inappropriate manner.
5. I am satisfied as to the matters to which I must have regard in s.227 of the Act and I renew the certificate until 11 March 2027. The renewal certificate may issue immediately.
