DECISION

I have before me an application by **Turua Primary School Board** for a special licence in respect of premises situated at **476 Hauaki Road, Turua. The event is a Quiz Night Fundraiser for the Primary School.** The inspector has filed a report on the application and does not oppose the granting of the special licence. The Police and MOH have offered no opposition to the granting of the special licence.

1. FENZ initially Opposed the Application due to there not being an Evacuation Scheme however this has since been withdrawn.

The application is for a Quiz Night as a fundraiser event for the school. The Inspector advises that Hayden Rakich is the noted Duty Manager, however Hayden has advised the inspector that if he is not able to attend on the night, another Duty Manager will be appointed for throughout the licensed hours of the event, with the following hours sought:

Friday 18 September 2026 – 6.30pm to 10.30pm

The following conditions will apply to the licence:

1. Drinking water is to be freely available to customers from the club bar located inside the premises.
2. Alcohol may be sold, supplied and consumed under this licence only on the following date and during the following hours:

Friday 18 September 2026 – 6.30pm to 10.30pm

3. When alcohol is available for sale and supply, the following must be available;
 - A minimum of three types of substantial food.
 - A reasonable range of non-alcoholic drinks.
 - At least one type of low alcohol.
 - Information regarding and assistance with alternative forms of transport.
4. Hayden Rakich who holds a current managers certificate has been nominated to manage the conduct of the sale of alcohol under this licence. If Hayden is unable

to be present another certificated duty manager will be appointed to manage the conduct of the sale of alcohol under this licence.

5. No intoxicated persons may be allowed to enter or to remain on the premises.
6. The following must be prominently displayed adjacent to every point of sale:
 - Appropriate signage regarding the restrictions on the supply of alcohol to minors and intoxicated persons
 - This special licence
7. The whole of the licenced area (the main hall) is undesignated.

I am satisfied that the nominated person(s) will manage the conduct of the sale of alcohol pursuant to the licence.

I am satisfied as to the matters to which I must have regard in s.142 of the Act, and I am satisfied that this application meets the purpose and object of the Act. Accordingly, I grant the special licence which may be issued immediately.

I refer any party who wishes to appeal this decision or part of this decision to sections 154 through to 158 of the Act.

Dated at Paeroa this 9th day of September 2026.
