1. Introduction

- 1.1. This Elected Members' Remuneration, Allowances and Expenses Policy (policy) sets out the Hauraki District Council's decision on remuneration and entitlement of elected members to allowances and contributions towards expenses during their term of office. It is made in accordance with the Local Government Act, 2002 (the Act).
- 1.2. The Local Government Act 2002 provides for the Remuneration Authority (the Authority) to determine the remuneration, allowances, and rules for reimbursing expenses incurred by all local authority elected members (refer to the website of the [Remuneration Authority](#)).
- 1.3. The Authority undertakes a review of the settings for elected member remuneration and allowances, in consultation with councils. Following this review, an annual determination from the Authority is then issued prior to 30 June each year, which may result in adjustments for to the level of remuneration received.¹
- 1.4. Allowances that are set by the Authority are reviewed annually by the Authority.
- 1.5. Council approved allowances must be included in this policy and published on Council's website.
- 1.6. Actual and reasonable expenses incurred by elected members while undertaking Council business will be reimbursed in line with this policy.

2. Objective

- 2.1. This policy ensures that all remuneration and allowances paid to elected members are in accordance with the Remuneration Authority determination and rules for the appropriate year.

3. Policy Principles

- 3.1. The payment of allowances and expenses to Elected Members by Hauraki District Council is made in accordance with the Auditor General's guidance for a principles based approach for sensitive expenditure.
- 3.2. The principles are that expenditure decisions:
 - have a justifiable business purpose;
 - preserve impartiality;
 - are made with integrity;

¹ These adjustments may take account of data collected by the State Services Commission on public and private sector remuneration movements, any major legislative changes in the role of elected members and feedback from the sector.

- are moderate and conservative, having regard to the circumstances;
- are made transparently; and
- are appropriate in all respects.

The Controller and Auditor-General has issued a Good Practice Guide 'Controlling Sensitive Expenditure: Guide for Public Entities' in October 2020. A series of helpful videos are also available at <https://oag.parliament.nz/good-practice/sensitive-expenditure/videos>

4. Remuneration

- 4.1. The Mayor shall receive remuneration as determined by the Remuneration Authority.
- 4.2. The Remuneration Authority sets a Governance Pool which is the total amount that can be paid in remuneration to elected members', and a minimum allowable remuneration for each elected member. Council must make a formal decision as to how the Governance Pool is allocated according to roles and additional responsibilities held by elected members'. The allocation of the Governance Pool as recommended by Council is then approved by the Remuneration Authority.
- 4.3. Elected members' who sit on resource management or district plan hearings receive meeting fees as determined by the Remuneration Authority.
- 4.4. Elected Members' will not receive any additional remuneration for their roles on Council Committees and Subcommittees (including Advisory Committees).
