

Free Waihi Gold Mine Tours for Waihi residents through the Gold Discovery Centre.

If you're a resident of Waihi but haven't been on a 'Behind the Fence' Gold Mine Tour with the Gold Discovery Centre team, now's your chance!

Although mining operations are ordinarily off-limits to the public, Waihi Gold Mine Tours can take you inside the fence to experience modern-day gold mining up close.

OceanaGold Waihi are proud to be sponsoring these free Gold Mine tours for Waihi residents on Saturdays and Sundays during May. Dates currently available include 6th, 7th, 13th, 14th, 20th & 21st May. You will need to provide proof of address when booking your seats.

Allow about 2 hours for the tour and spaces are strictly limited on a first come, first serve basis. You will need to wear comfortable covered shoes for the tour.

You'll be fitted out with safety gear as you board their vehicle, given a safety briefing, then taken inside the security fence to view mine operations from the best available vantage points.

Tours will depart at 10:00am and 1:00pm from the Gold Discovery Centre at 126 Seddon Street, Waihi. Right opposite the Cornish Pumhouse.

Bookings are essential. Contact the Gold Discovery Centre directly to book on **07 863 9015**.

Waihi Community Forum Recreation Hub Survey.

The Waihi Community Forum is looking for feedback on a proposed new Outdoor Recreation Hub!

The Waihi Community Forum is partnering with Hauraki District Council to investigate the feasibility of an exciting new outdoor recreation hub which will hopefully feature a new skate park, pump track, playground, BBQ area and more.

They're interested to know if you support this project, and if you do, they would like your ideas, opinions, and thoughts on the proposed hub - your feedback will help design something the community would like and, more importantly, use.
