

Resource Consent Certificate

Resource Consent Number: 103848
File Number: 60 39 24A

Pursuant to the Resource Management Act 1991, the Waikato Regional Council hereby grants consent to:

Hauraki District Council
P O Box 17
Paeroa 2951

(hereinafter referred to as the Consent Holder)

Consent type: Land Use Consent
Consent subtype: Occupy

Activity authorised: Use an existing discharge pipeline diffuser for the purpose of discharging treated sewage on the bed of the Puhanga Canal at the Puhanga Island Bridge

Location: (Ngatea Sewage) Phillips Rd - Ngatea
Map Reference: NZMS260 T12:313-321

Consent duration: Granted for a period to expire on 31 October 2015

Subject to the conditions overleaf:

CONDITIONS

1. The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act 1991, or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act.
2. The consent holder shall be responsible for the structural integrity and maintenance of the discharge structure and for any erosion control works that become necessary to preserve the integrity and stability of the river channel and/or to control erosion as a result of the exercise of this resource consent.

Note: A separate resource consent may be required as a result of the need to undertake erosion control works. Any such consent shall be obtained by the consent holder at their sole expense prior to any works being undertaken.

3. The consent holder shall inspect the diffuser structure at least on a five yearly basis to ensure its structural integrity and efficient operation.
4. The Waikato Regional Council may in October 2004, October 2008 and October 2012, serve notice on the consent holder under section 128 (1) of the Resource Management Act 1991, of its intention to review the conditions of this resource consent for the following purposes:
 - (i) to review the effectiveness of the conditions of this resource consent in avoiding or mitigating any adverse effects on the environment from the exercise of this resource consent and if necessary to avoid, remedy or mitigate such effects by way of further or amended conditions; or
 - (iii) to review the adequacy of and the necessity for monitoring undertaken by the consent holder.

Note: Costs associated with any review of the conditions of this resource consent will be recovered from the consent holder in accordance with the provisions of section 36 of the Resource Management Act 1991.

5. The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act 1991, or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act.

Dated at Hamilton this 21st day of June 2001

For and on behalf of the
Waikato Regional Council

for Secretary

Advice Notes

1. In accordance with section 125 RMA, this consent shall lapse two (2) years after the date on which it was granted unless it has been given effect to before the end of that period.
2. Where a resource consent has been issued in relation to any type of construction (e.g. dam, bridge, jetty) this consent does not constitute authority to build and it may be necessary to apply for a Building Consent from the relevant territorial authority.
3. This resource consent does not give any right of access over private or public property. Arrangements for access must be made between the consent holder and the property owner.
4. This resource consent is transferable to another owner or occupier of the land concerned, upon application, on the same conditions and for the same use as originally granted (s.134-137 RMA).
5. The consent holder may apply to change the conditions of the resource consent (except for the duration) if circumstances change (s.127 RMA).
6. Routine inspections of the site of the consent may be undertaken by Waikato Regional Council officers or agents. The costs of these routine inspections and any formal monitoring programme that may be established in consultation with the consent holder will be charged to the consent holder.
7. "Non-routine" inspections will be made on other occasions if there is reason to believe (e.g. following a complaint from the public or from a monitoring inspection) that the consent holder is in breach of the conditions of the resource consent. The cost of non-routine inspections and analyses will be charged to the consent holder in the event that non-compliance is determined, or if the consent holder is deemed to not be fulfilling the obligations specified in section 17(1) RMA as shown below:

"Every person has the duty to avoid, remedy or mitigate any adverse effect on the environment arising from an activity carried out, by or on behalf of that person, whether or not the activity is in accordance with a rule in a plan, a resource consent, section 10, section 10a or section 20."
