Resource Consent Certificate

Resource Consent: 124321

File Number: 60 00 22A

Pursuant to the Resource Management Act 1991, the Waikato Regional Council hereby grants consent to:

Hauraki District Council
PO Box 17
Paeroa 3640

(hereinafter referred to as the Consent Holder)

Consent Type: Land use consent

Consent Subtype: Bed - structure

Activity authorised: Dam water and occupy the bed of the Paraparakauri Stream associated with domestic or municipal water supply

Location: Mackaytown Water Supply - Mackaytown

Spatial Reference: NZTM 1842001 E 5856554 N

Consent Duration: This consent will commence on the date of decision notification, unless otherwise stated in the consent's conditions, and expire on 30 July 2018

Subject to the conditions overleaf:

- 1 The consent holder shall undertake the activity authorised by this consent:
 - (a) In general accordance with the documentation submitted to the Waikato Regional Council as part of the application (as recorded on the Waikato Regional Council's document recording system numbered 2122542); and
 - (b) In accordance with the conditions of this consent.

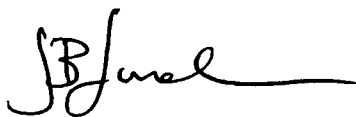

In the event of any conflict between the application documentation and the conditions of this consent, then the conditions shall prevail.

- 2 The intake shall be screened with a minimum 10 millimetre slotted screen.
- 3 The consent holder shall ensure that the velocity of water through the intake screen does not exceed 0.3 metres per second under normal operating conditions. If requested by the Waikato Regional Council in writing, the consent holder shall provide data and/or information on how this velocity requirement is achieved.
- 4 The consent holder shall be responsible for the design, structural integrity and maintenance of the dam and for any erosion control works that become necessary to preserve the integrity and stability of the stream channel and/or to control erosion as a result of the exercise of this resource consent.

Note: A separate resource consent may be required as a result of the need to undertake erosion control works. Any such consent shall be obtained by the consent holder at their sole expense prior to any works being undertaken.

- 5 The consent holder shall undertake regular maintenance of the structure and shall keep a log of what maintenance has been undertaken. This log shall be made available to the Waikato Regional Council at all reasonable times.
- 6 The consent holder shall ensure that all material removed from the dam as part of any maintenance undertaken is deposited in a position that ensures no runoff enters a waterway.
- 7 There shall be no earthworks that allow debris to make its way into the stream. Nor shall there be any disturbance of the stream bed associated with maintenance and monitoring of the associated structures.
- 8 The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act 1991, or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act.

*For and on behalf of the
Waikato Regional Council*

Advice notes

1. Where a resource consent has been issued in relation to any type of construction (e.g. dam, bridge, jetty) this consent does not constitute authority to build and it may be necessary to apply for a Building Consent from the relevant territorial authority.
2. This resource consent does not give any right of access over private or public property. Arrangements for access must be made between the consent holder and the property owner.
3. This resource consent is transferable to another owner or occupier of the land concerned, upon application, on the same conditions and for the same use as originally granted (s.134-137 RMA).
4. The consent holder may apply to change the conditions of the resource consent under s.127 RMA.
5. The reasonable costs incurred by Waikato Regional Council arising from supervision and monitoring of this/these consents will be charged to the consent holder. This may include but not be limited to routine inspection of the site by Waikato Regional Council officers or agents, liaison with the consent holder, responding to complaints or enquiries relating to the site, and review and assessment of compliance with the conditions of consents.
6. Note that pursuant to s333 of the RMA 1991, enforcement officers may at all reasonable times go onto the property that is the subject of this consent, for the purpose of carrying out inspections, surveys, investigations, tests, measurements or taking samples.
7. If you intend to replace this consent upon its expiry, please note that an application for a new consent made at least 6 months prior to this consent's expiry gives you the right to continue exercising this consent after it expires in the event that your application is not processed prior to this consent's expiry.
