

RESOURCE CONSENT CERTIFICATE

Resource Consent: AUTH136160.01.01

File Number: 60 00 23A

Pursuant to the Resource Management Act 1991, the Regional Council hereby grants consent to:

Hauraki District Council - Paeroa Office
PO Box 17
Paeroa 3640

(hereinafter referred to as the Consent Holder)

Consent Type: Water Permit

Consent Subtype: Dam

Activity authorised: To dam and maintain 2 dam structures on the Tarariki Stream, Paeroa.

Location: Reservoir Road - Paeroa

Map reference: NZTM 1839595 E 5859151 N and NZTM 1839855 E 5859093 N

Consent duration: This consent will commence on the date of decision notification and expire on 15 October 2020.

Subject to the conditions overleaf:

General

1. The dams authorised by this consent shall be maintained in accordance with the following application documentation: "Tarariki Dams" (WRC Document Reference Number 3613599) and as identified in the resource consent conditions below, which shall prevail in the event of any inconsistency between the aforementioned documentation and the conditions.
2. The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act 1991, or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act 1991.

Operation and maintenance

3. The consent holder shall be responsible for the structural integrity and maintenance of the dams, and for the provision and maintenance of any erosion control works that may become necessary as a result of the exercise of this consent.

Note: A separate resource consent may be required as a result of the need to undertake erosion control works. Any such consent shall be obtained by the consent holder at their expense prior to any works being undertaken.

4. The consent holder shall be responsible for maintaining the dams and the river in the immediate vicinity of the dams free of flood debris and other obstructions.
5. The consent holder shall keep a log of what maintenance has been undertaken, which shall be made available to the Waikato Regional Council at all reasonable times.
6. During maintenance activities the consent holder shall ensure that the release of cement/grout, sediment and other contaminants to the Tarariki Stream are minimised as far as practicable.

Reporting

7. The consent holder shall develop a detailed options report to look at long term solutions for managing redundant dams in the Hauraki District, including the Tarariki Dams. The report shall be developed by an appropriately experienced person(s) to the satisfaction of Waikato Regional Council. The consent holder shall provide Waikato Regional Council with a draft of this report for comment by no later than 30 June 2018. The final report shall be provided by no later than 31 March 2020.

Advice Notes

1. This resource consent does not give any right of access over private or public property. Arrangements for access must be made between the consent holder and the property owner.
2. This resource consent is transferable to another owner or occupier of the land concerned, upon application, on the same conditions and for the same use as originally granted (s.134-137 RMA).
3. The consent holder may apply to change the conditions of the resource consent under s.127 RMA.
4. The reasonable costs incurred by Waikato Regional Council arising from supervision and monitoring of this/these consents will be charged to the consent holder. This may include but not be limited to routine inspection of the site by Waikato Regional Council officers or agents, liaison with the consent holder, responding to complaints or enquiries relating to the site, and review and assessment of compliance with the conditions of consents.
5. Note that pursuant to s332 of the RMA 1991, enforcement officers may at all reasonable times go onto the property that is the subject of this consent, for the purpose of carrying out inspections, surveys, investigations, tests, measurements or taking samples.
6. If you intend to replace this consent upon its expiry, please note that an application for a new consent made at least 6 months prior to this consent's expiry gives you the right to continue exercising this consent after it expires in the event that your application is not processed prior to this consent's expiry.
