# Resource Consent Certificate

**Resource Consent:** AUTH130392.02.01

**File Number:** 60 00 36A

*Pursuant to the Resource Management Act 1991, the Waikato Regional Council hereby grants consent to:*

Hauraki District Council  
PO Box 17  
Paeroa 3640

*(hereinafter referred to as the Consent Holder)*

**Consent Type:** Water permit

**Consent Subtype:** Dam

**Activity authorised:** To dam water and occupy the bed of the Walmsley Stream for domestic and municipal water supply purposes being a v notch weir, dam and intake structure

**Location:** Walmsley Stream

**Spatial Reference:** NZTM 1851558 E 5861828 N

**Consent Duration:** Granted for a period expiring on the twentieth anniversary of the date of commencement

**Subject to the conditions overleaf:**

### **General Conditions**

1. The consent holder shall pay to the Waikato Regional Council any administrative charge fixed in accordance with section 36 of the Resource Management Act 1991, or any charge prescribed in accordance with regulations made under section 360 of the Resource Management Act.

### **Dam and Intake Structure**

2. The consent holder shall ensure that an opening exists at the base of the dam allowing water to pass unimpeded.
3. The consent holder shall ensure that the v-notch weir allows water to pass over it unimpeded.
4. The consent holder shall ensure that the velocity of water through the intake screen does not exceed 0.3 metres per second under normal operating conditions. If requested by the Waikato Regional Council in writing, the consent holder shall provide data and/or information that this velocity requirement is achieved.
5. The consent holder shall ensure that the intake is screened with a mesh aperture size not exceeding 3 millimetres by 3 millimetres.

### **Maintenance**

6. The v-notch weir, dam and intake structures shall be maintained in a sound condition at all times.
7. The consent holder shall be responsible for the provision and maintenance of any erosion control works that may be necessary as a result of the exercise of this consent.
8. The consent holder shall undertake no earthworks on the stream banks nor any disturbance of the stream bed associated with the maintenance of the water intake or associated structures without prior approval by the Waikato Regional Council, unless such works are authorised.

### **Review**

9. In the six month period following the 5<sup>th</sup>, 10<sup>th</sup> and 15<sup>th</sup> anniversary of commencement, the Waikato Regional Council may following service of notice on the consent holder, commence a review of the conditions of this resource consent under section 128(1) of the Resource Management Act 1991 for the following purposes:
  - (a) To review the effectiveness of the conditions of this resource consent in avoiding or mitigating any adverse effects on water quality, flow regimes and aquatic fauna in the waterway from the exercise of this resource consent and if necessary to avoid, remedy or mitigate such effects by way of further or amended conditions; or
  - (b) To review the adequacy of and the necessity for monitoring undertaken by the consent holder.

### **Treaty Review**

10. Within 12 months of any Co-Management Settlement Act commencing for the Waihou River catchment, the Waikato Regional Council may, following service of notice on the consent holder, commence a review of the conditions of this consent pursuant to s.128 (1)(a) of the RMA, for the purpose of ensuring that this consent is in alignment with the provisions of any such settlement act.

## Advice notes

1. This resource consent does not give any right of access over private or public property. Arrangements for access must be made between the consent holder and the property owner.
2. This resource consent is transferable to another owner or occupier of the land concerned, upon application, on the same conditions and for the same use as originally granted (s.134-137 RMA). The transfer of water, including changes of location, may occur as provided for in Chapter 3.4 of the Waikato Regional Plan, subject to the requirements of those rules.
3. The consent holder may apply to change the conditions of the resource consent under s.127 RMA.
4. The reasonable costs incurred by Waikato Regional Council arising from supervision and monitoring of this/these consents will be charged to the consent holder. This may include but not be limited to routine inspection of the site by Waikato Regional Council officers or agents, liaison with the consent holder, responding to complaints or enquiries relating to the site, and review and assessment of compliance with the conditions of consents.
5. Note that pursuant to s332 of the RMA 1991, enforcement officers may at all reasonable times go onto the property that is the subject of this consent, for the purpose of carrying out inspections, surveys, investigations, tests, measurements or taking samples.
6. If you intend to replace this consent upon its expiry, please note that an application for a new consent made at least 6 months prior to this consent's expiry gives you the right to continue exercising this consent after it expires in the event that your application is not processed prior to this consent's expiry.
